Daniel H. Giles

Dear Mr. Giles:

As you are aware, at the El Pueblo Historical Monument Commission meeting on December 11, 2003 a decision was made regarding your offer to donate St. Vibiana's gates could not be accepted as advised by the City Attorney.

I apologize for the delay in our response and our action leading up to it taking so long but I wanted to be sure that we afforded you all the appropriate considerations and did not want to make a hasty decision.

I personally and on behalf of the El Pueblo Historical Monument Commission want to thank you for your consideration and wish you the best in regards to securing the appropriate location for these valuable gates.

Sincerely,

Edward Navarro
General Manager
